GOVERNMENT OF MYSORE

GENL. & REV. SECRETARIAT,

Camp Mysore, ~~Bangalore,~~ 21st June 1913.

Dear Mr. Subrahmanyaiyer

In connection with the proposal to construct a hostel attached to the Maharani's College, the Dewan desires to know whether it can be arranged with the Anathalaya authorities to remove the Anathalaya from its present place to some other locality. The Anathalaya people may be asked to suggest 2 or 3 alternative sites which they would like to have in exchange for their present building. I am to request the favour of a very early reply not later than the 25th instant.

Yours sincerely

1 Re the acquisition of Mr.Narasinga Rao Purnaiya's site near the Guests' Quarters at Mysore, I submit herewith for the Dewan's perusal the letter received from Mr.Narasinga Rao Purnaiya in reply to the one which I sent to him as personally instructed by the Dewan, regarding the price of the site.

2 Mr.Narasinga Rao Purnaiya says in his letter that the value of his bungalow will be considerably depreciated if his site alone is acquired, that it would be probably more economical for the Government to acquire the entire property, and that if the portion required by the Government is specified, he will intimate the price he would put on it.

3 There is no doubt some force in Mr.Narasinga Rao Purnaiya's representation; and if we can get the whole property for a fair and reasonable price, it may be desirable to go in for it. If this is approved, the Executive Engineer will be requested to value the building and we may then open negotiations about its purchase.

From, The Executive Engineer, Mysore,

D.O. dated 14.8.13.

Submits an estimate of the cost of Mr. Narasinga Rao Purnaiya's bungalow known as "Biligiri Lawns"; together with the plan of the building.

18 The Executive Engineer estimates the cost of the building at . . . . Rs. 10,465 and if 10% is deducted of ent of it on account of depreciation, the cost would be Rs 9,419 or in round figures Rs 9,500.

19 The grounds belonging to the bungalow are said to measure 19,100 sq yds. and if this extent is purchased at the same rate at which Mr. Doraswami Iyer's sites were purchased (viz: 11,964 sq. yds for Rs 10,000), he states that the grounds alone will cost

20 It may be observed that in computing the cost of the grounds, the Executive Engineer has taken ~~the~~ as the standard, the ~~rate at which~~ price paid for Mr. Dorasami Iyer's sites, ~~of~~ the extent of which, he has taken as 12,500 sq. yds. But as a matter of fact, the extent of Mr. Dorasami Iyer's sites is 11,964 sq. yds: for which a sum of Rs 10,000 was paid. If this ~~standard~~ standard is adopted in the present case, the cost of the grounds of the Biligiri Lands would be Rs 15,964 and not Rs 15,280 as stated by the Executive Engineer. In that case, the price of the grounds and building together would be - Rs 9,500 + 15,964 or Rs 25,464.

24 There is now sufficient material for formulating definite proposals in the matter.

25 The questions for consideration are:-

(1) What use is to be made of the two sites?

(2) How should the points raised in the correspondence in connection with the acquisition of the sites be dealt with?

26 Will the First Councillor kindly formulate definite proposals in consultation with the Second Councillor and furnish a submission note to His Highness? I am available for informal consultation at any time I may be required.

Concluded. The site may be retained for building rooms for the Dasara Representatives, so that this and the Nanjaraj Bahadur Chatrams may give enough accommodation for about 150 persons.

As for Mr. Purnaiya's house, I think we need not purchase it at present. It may be rented and used for the Maharani's College Hostel. If later on, it is decided to build for the representatives in a different place, Mr. D. Iyer's site will be suitable for the Hostel building. Then there will be no need at all to acquire that place. Otherwise we may acquire it later on for the Hostel.

30 My ideas in this matter are as follows.

(1). The site recently acquired for the Engineering Class & the site on which the present Anthropology stands may both be utilized with advantage in making Quarters for the Indian Guests.

(2). Both the existing & the sites after the same belonging to the Code in P. W. Compound are best suited for the purpose of a Hostel for the Indian students. The present existing Quarters occupied by Rai Bahadur K. Ramanathan & Mr. Jayaram may also be utilized in the Hostel compound & utilized for this purpose. The whole will form a compact block & is in my opinion a suitable site for the purposes of a Hostel for girls.

(3). The House for the Representative is best suited on the site of the Engineering Class & the vacant site behind Professor Chatterjee.

31 The question of the Anthropologist-in-charge to be paid compensation for the site does not seem to be reasonable as much as they have not a site ready

Submitted to His Highness.

33 These papers relate to (1) the disposal of the site opposite to the Indian Guests Quarters at Mysore acquired from Mr.K.S.Doraswami Iyer (2) the provision of accommodation for a hostel for girls attending Her Highness the Maharani's College and the Widows' Home and (3) the construction of quarters for the members of the Representative Assembly for occupation during the session of Assembly.

34 2. In addition to the vacant site referred to above, it is proposed to utilize for the above purposes the building and the adjoining grounds that belonged to the late Sir P.N.Krishna Murti and the mango garden to the north of the Nanjaraj Bahadur' Chattram.

35 3. I have discussed with the Councillors the question of utilizing these sites in the most advantageous manner and the following seems to be the most suitable arrangement:-

(i) The vacant site that belonged to Mr.Doraswami Iyer may be used for the construction of additional blocks for holding office and accommodating clerks of the Secretariat and other offices coming to Mysore on duty on various occasions. With the Seshadri House, Padmalaya and the present Guests' Quarters buildings on the three sides, these blocks will , when constructed, provide a much - needed accommodation. The blocks may be built slowly in 2 or 3 years but a compound wall and gate should be provided at once to maintain the grounds in a sanitary condition.

(ii) The Bungalow that belonged to the late Sir P.N.Krishna Murti with the adjoining grounds and the Government Cottage now occupied by Rai Bahadur A.Narasimha Iyengar may be used for a Hostel to the students of the Maharani's College and the Widows' Home which is now located in a building requiring costly repairs.

(iii) The site to the north of the Nanjaraj Bahadur' Chattram is best suited for a block of buildings for the members of the Representative Assembly and including the Chattram, accommodation may be provided on this site for about 120 members.

(36) 4. The First Councillor is of opinion that Sir Krishna Murti's building may be rented for the present but, as a final and early solution of the questions is necessary, we may start acquisition proceedings, the price to be paid being fixed by private negotiation. In the meanwhile the Bungalow may be rented if necessary.

(37) 5. If His Highness is pleased to approve of these suggestions generally, necessary action will be taken to formulate further definite proposals in accordance therewith.

In continuation of Sl 15, states that a compensation of Rs 28,750 was awarded by him to Mr. Narasinga Rao Purnaiya for the Biligiri lawns and the adjoining grounds acquired from him, and that a bill for that amount has been forwarded to the Dy. of Edn. for countersignature, and that further in pursuance of Sl 13, the mango garden to the north of Nanjaraj Bahadur Chattram was taken possession of and made over to the Asst Engineer, Head Quarter Range, Mysore, and that the compensation for the latter will have to be decided after certain evidence called for from the Secretary to the Chattram Committee is adduced.

79. Reference is respectfully invited to para 47 of the Notes above, and to the D.O. of the 14th Aug 1913 from Mr. R.V. Sundaram Iyer, Ex.ve Engineer. The latter officer has estimated the cost of the Biligiri lawns and the surrounding grounds at Rs 24,780. Adding to this, 15 per cent for compulsory acquisition, the total cost amounts to (Rs 24,780 + 3,717 or) Rs 28,497/-. The Deputy Comr. states that he has himself awarded a compensation of Rs 28,750, which is very nearly the same as the estimate of the Ex.ve Engineer.

Dear Sir,

With reference to your D.O. letter of the 21st instant re the proposed purchase by Government of our site to the north of our house 'Billigeri Lawns' at Mysore- I beg to state that the value of our Bungalow will considerably be depreciated by the acquisition of the vacant site reserved for extending its compound. It would probably be more economical for the Government to acquire the entire property viz, the whole site and the bungalow standing thereon for the price to be settled, if the property is needed for the public purpose.

I shall let you know the price of the site

OFFICE OF THE DEPUTY COMMISSIONER
MYSORE DISTRICT

DATED MYSORE, 8th August 1913

Dear Mr.Sreenivasa Iyengar,

With reference to your D.O.letter No.346 dated 21st June 1913 and subsequent reminders about the acquisition of the Anathalaya Building at Mysore, I enclose a copy of the latest letter received from the Secretary of the Managing Committee from which it will be seen that the Committee have grapsed the situation and have gracefully accepted what is inevitable. A site marked 4 in the en--closed ferrotype plan was given to them last year by the Trust Board and they propose to construct a new Building there and give up the existing building for Government purposes.

2. This site is perhaps not quite sanitary; but I do not think it can be condemned as insanitary and utterly unsuited for the required purpose. The Pros and Cons as

Letter dated 3rd August 1913 from the Secretary, Anathalaya Mysore, to the Deputy Commissioner, Mysore District.

I have the honour to forward herewith the accompanying copy of the Resolution passed by the Managing Committee of the Anathalaya at their Meeting held on 29th July 1913 in compliance with your office No.782 dated 25th July 1913.

"Resolved that the site which has already been given to the Anathalaya by the Trust Board will be used to build the Anathalaya and that it is hoped that the Government will be pleased to give the orphanage a proper compensation both for the site, and for the superstructure and the other appertenances of the Ananthalaya premises. The compensation for the ground be claimed at the rate at which Government purchased Mr.Doraswami Iyer's site the neighbouring plot of ground plus 15% legally due for compulsory acquisition. That on these terms the Committee will reluctantly feel bound to give up the present Anathalaya".

by 15/8 Sir

In compliance with your D.o no 15 of 18/7/13 and subsequent reminders I have the honor to submit herewith an estimate of the cost of the building known as Biligiri Lauras, and belonging to Mr Nanjunga Row Purnaiya. At current rates the cost of the building amounts to Rs 10465. Deducting 10 per cent for depreciation the value may be taken as — Rs 9419 or Rs 9500 in round figures. A plan of the building is also

Report on the building called the "Biligiri Rangas" Mysore —
(Submitted with the valuation estimate for the building.)

This building is to the north of the Kukkahally Tank Road (in continuation of the Ramavilas Agrahar) in the Chamarajapet in Mysore. On the East it is bounded by D. Subbaraya's Road, on the West by the Viceroy's Road and on the North by the Krishnavilas Road running by the side of the Guests' Quarters.

The main building is of brick in mud with teakwood for roof and doors and Windows and pucka terraced at top. The kitchen block is of brick in mud walls also, but the roof timber is of Jungle wood and the roof itself is of pot tiles and bamboos, requiring to be overhauled throughly.

The other items are clearly noted in the estimate. Government rates are allowed throughout.

OFFICE OF THE DEPUTY COMMISSIONER
MYSORE DISTRICT

DATED MYSORE, 20th August 1913.

Dear Mr.Srinivasiengar,

Your D.O. letter No.43 of the 13th instant about Anathalaya.

The enclosed copy of the Mysore Trust Board Chairman's D.O.No.229 dated 19th instant gives the required information on points 1 and 2.

As the Anathalaya Committee have been given free of cost a site much larger than, and as valuable as, their site they cannot fairly claim compensation.

Yours sincerely

D.O.letter No.229 dated 19th August 1913 from the Chairman, City Improvement Trust Board, Mysore to the Deputy Commissioner, Mysore District

"

Dear Mr.Subramanya Iyer,

In returning Mr.K.P.Srinivasiengar's D.O. No. 43 dated the 13th August 1913, calling for information on the acquisition of the existing building of Anathalaya to Government, I am to state that (1) the extent of the site on which the present Anathalaya building stands is 75 ' X 129 ' = 1075 square yards, (2) the extent of the site resolved by the Trust Board to be granted free of cost subject to the authorities of the Anathalaya furnishing plans for the Board's approval is $\frac{137' \times 160'}{2} \times 164\frac{1}{2} =$ 2714½ square yards. There were no further conditions mentioned in the resolution under reference. But when the same land had been offered to the construction of a school building for Jayalakshmivilas Arya Balika Patasala the following conditions had been stipulated and sanctioned by Government in their Proceedings No.10368-70 M1.139-C& dated the 18th May 1910.

(1) that the work is commenced within 12 months and carried to completion in two years and (2) that if the site is utilized for any other purpose than that of school it should revert to Government with all structures on it unconditionally. It must be inferred that the same conditions also should hold good in this case as well. (3) The Anathalaya authorities not having furnished the plan of the building intended to be erected on the above site, the submission of the question to Government is delayed.

2. The last para re: the justification in demanding compensation, can better be answered by you. The value of the land of both the sites is the same "

Order thereon :— No.

After careful consideration of the requirements referred to above, the Govt are of opinion that the vacant site that belonged to Mr K.S. Doraswami Iyer may be used for the construction of a double blocks for holding office and accommodating clerks of the Secretariat and other officers proceeding to Mysore on duty on various occasions. The Chief Engineer is accordingly requested to submit plans and estimates for the buildings at an early date, and, pending their construction, to take immediate action to enclose the site with a compound wall and provide a decent gate, so that the grounds may be maintained in a sanitary condition. M 4th should be taken as guide for the Govt question for provision of maintenance.

2. The Govt also consider that the bungalow belonging to the late Sir P. N. Krishna Murti

Sir,

With reference to Government Order No. G 5587-92 G.M. 245-13-1 dated 24-1-1914, copy whereof was communicated to me for my information I have the honour to bring to your notice that in para 2 of the said order the bungalow known as "Biligiri Lawns" is described as "the bungalow belonging to the late Sir P.N. No. 6

From

A.Subramanya Iyer Esquire., B.A.,

Deputy Commissioner, Mysore District.

To

K.R.Sreenivasa Iyengar Esquire., M.A.,

Secretary to the Government of H.H.the Maharaja

of Mysore, General and Revenue Departments.

Sir,

As directed in paras 2 and 3 of Government Proceedings No. G.5587-92/G.M.245-13-1 dated the 24th January 1914, I have the honour to forward herewith for publication in the Gazette a declaration statement in duplicate both in Kannada and English in respect of the marginally noted properties for acquisition under the Land Acquisition Regulation. As the Bungalow "Biligiri Lawns" is situated within the limits of the City Municipality I beg to suggest that the President of the City Municipal Council may be authorised to take order for the acquisition thereof. If, however, Government consider that I should acquire the properties I may be authorised to take needful action.

As I am the President of the Committee for the management of the Nanjaraja Bahadur Chattram and the Municipal President is a member of the Committee, the Assistant Commissioner, Mysore Sub Division, may be authorised to acquire the land belonging to this chattram.

The Bungalow seems to be registered in the Municipal Accounts in the name of the late Sir P.N.Krishna Murti and so the same is noted in the declaration statements also. Mr.Narasinga Rao Purniah's claim to the Bungalow set forth in his letter forwarded with your memo No. G 6867 / G.M. 245-13-5 dated 27 Febr 914 will be considered before awarding compensation.

I have the honour to be,
Sir,

Sir,

In continuation of my letter No.634 dated 9th March '14, I have the honor to forward herewith a copy of letter No.233 dated 10th May '14 from the Honorary Assistant Engineer, Head Quarter Range, Mysore re the acquisition of a portion of the garden North of the Nanjaraj Bahadur's Chattram for constructing a block of buildings for the use of the members of the Representative assembly.

2. The Honorary Assistant Engineer now states that 275 feet x 200 feet on the northern side and 275 x 175 feet on the southern side are necessary for the present.

3. I request that under the circumstances referred to above the declaration statement may kindly be caused to be published in the Gazette at an early date and sanction accorded for taking possession of the lands in question under section 17 of the Land Acquisition Regulations pending the settlement of compensation for the same.

I have the honor to be

Sir,

With reference to your letter No.G.3558 dated the 9th instant requesting to intimate the result regarding the ~~result~~ acquisition of (1) the mango garden to the north of the Nanjaraja Bahadur Chatram and (2) of the Bilagiri Lawns, I have the honor to state as follows:-

As regards (2) the Bilagiri Lawns a sum of Rs28,750/- was awarded by me on the 11th September 1914 for the property as conpensation payable to Mr. Narasinga Rao, Purnayya and the bill for the compensation amount was forwarded to the Inspector General of Education for countersignature and return (vide this office No.3065 dated 14-9-1914). On receipt of the bill from the Inspector General of Education, the amount will be drawn and paid to the owner of the property and the same taken possession of by the Government.

As regards (1) the mango garden, the Secretary to the Nanjaraja Bahadur Chattram Fund Committee wants compensation to be paid at the rate of Rs2/- per square yard and on the Mysore Sub Division Officer seeking instructions in the matter, I have asked him to request the said Secretary to adduce evidence, if any in support of the claim. As authorized in Government Order No.G.10809-12/G.M.245-13-13 dated 27-6-1914, possession of the garden has been taken and made over to the Assistant Engineer Head Quarter Range,
